You don't know how glad I am to be your cousin. We have really had some good times together, haven't we? I wish I could have gone to school down here, but, that's the way the cookie crumbles. HA. I will always hold those precious memories in my heart, and no matter how far away we are, I will remember all those laughs we have had together. You're a swell cousin. DEDICATION

T. R. FUSTON

The dedication of a yearbook conveys the sentiment of the community, the faculty and the student body. The 1962 "Turkey" is so dedicated to the memory of a truly great man, T. R. Fuston who was known, loved and appreciated by everyone in this community. He was a man who was never too busy to serve his community in whatever capacity his service was needed. He gave of his time, talents, and possessions to improve our schools, and to make our community a better place in which to live. As you read these lines we hope you too will be inspired to give of yourself that others may know and enjoy a better way of life.

CREED

I believe in the future of farming, with a faith born not of words but of deeds - achievements won by the present and past generations of farmers; in the promise of better days through better ways, even as the better things we now enjoy have come up to us from the struggles of former years.

I believe that to live and work on a good farm is pleasant as well as challenging; for I know the joys and discomforts of farm life and hold an inborn fondness for those associations which, even in hours of discouragement, I cannot deny.

I believe that rural America can and will hold true to the best traditions in our national life and that I can exert an influence in my home and community which will stand solid for my part in that inspiring task.

SPORTS HIGHLIGHTS

Guest Sparks Turkey Victory

TURKEY (Special) — On the first play from scrimmage, Quarterback Don Guest drew back and threw a pass to HB Jerry Weatherby, good for 66 yards and a touchdown here Friday night and the Turkey Turks went on to beat the Silverton Owls, 33-6.

Extra point try failed after the opening TD. Guest bootleddged his way around end for 17 yards and a second Turk touchdown still in the first quarter. He kicked extra point.

In the second quarter, Guest passed to Weatherby 10 yards and another Turkey tally. He kicked the extra point after.

Silverton's Rusty Whitfield, a halfback, plunged two yards for the visitor's TD. Extra point attempt was no good.

Guest passed to Burrell Fuston for 65 yards and a third quarter Turkey TD. Extra point failed. Weatherby ran 40 yards for a TD to close out the Turkey running game. Guest converted.

Guest turned in a 95-yard romp for a TD in the fourth quarter but a clipping penalty nullified the effort.

Billy Don Lane, tackle, stood out on defense for Turkey.

Turkey Tops Boys Ranchers

TURKEY, Oct. 20 (Special) — The Turkey Turks, paced by speedy, high-scoring Jerry Weatherby, outlasted the Boys Ranch team of Tascosa 26-14 here tonight. Weatherby scored twice in the second period on runs of 5 and 52 yards, then cut loose with a 55-yard gallop in the final period.

The Turks had struck for first blood in the opening period on Halfback David Hutton's 30-yard run. Boys Ranch tied it up early in the second when Jim Walden hit Donny Wallen with a 60-yard pass. The Ranchers struck again in the third on Arville Stinnett's 64-yard run but were unable to hold the fleet-footed Weatherby in check.

Turkey Thumps Estelline, 26-8

ESTELLINE, Nov. 3 (Special) The Turkey Turks scored in every quarter here tonight to defeat the Estelline Cubs 26-8 before a cold-numbed crowd of 500 in Bear Cub Stadium.

Backs Ronnie Richmond and Jerry Weatherly bore the brunt of the Turks' attack, with both scoreing twice.

★ ★ ★

SEAGRAVES (Special) — Fullback Sammy Faulkner raced for touchdowns of 55 and 56 yards and scored two extra points to lead his Seagraves Eagles to a 36-16 win over Turkey.

Turkey found itself in the final quarter, but it was too late.

Quarterback Don Guest sprinted for 65 yards on the first touchdown. Halfback David Hutton ran over the extra points.

Guest shared in the final touchdown, also, as he passed to halfback George Hawkins on a 45-yard play. Hutton ran over the points after.

Guards Angel Hernandez and Kenneth Smart and end Raymond Shumake were singled out for outstanding defensive play for Seagraves.

Billy Lane, guard, and Darrell Fuston, end, were outstanding on defense for Turkey.

Seagraves now owns a 3-1 season record, while Turkey has won two and lost three.

Turks, Cubs Are Honored

Turkey placed four men and Estelline three on the All-District 9-B football team picked by district coaches Monday night at Turkey.

Making the first team from Turkey were backs Jerry Weatherly and David Hutton and tackles Billy Don Lane and Roy Landry. Weatherly and Lane are the team co-captains.

From Estelline, the first team selections were end Tony Stephens, tackle Billy Bowman and fullback

The Turkey Turks evened their season record at 2-2 last week, but Coach U. F. Coker's eleven will be hard-pressed to stay on an even footing this week.

The Turks went to Lorenzo last week and beat the local team, 6-0, but this week must face dangerous Seagraves, which is ranked seventh in the state for class A teams. Seagraves' only loss has been to class AA Hamlin. They whipped Whiteface last week, 57-7.

Halfback Jerry Weatherly scored the game's only touchdown for Turkey last week, and averted a scoreless tie, by plunging over from the one-yard line. Weatherly had set up the score on the previous play with a 25-yard run.

Coker thought his team out-played the losers even more than the score indicated. "We had more first downs, but we were hurt by penalties," he explained.

Given plaudits for playing a good game against Lorenzo were Roy Landry, halfback David Hutton, guard Ronnie Richmond, and tackle Billy Don Lane.

After the seagraves tussle this week, the next game for Turkey will be in Memphis against their county rivals, the Cyclones.

Judy,
I have enjoyed going to school with you these 12 years and I will really miss all the fun we have had together while working on the annual and during play practice. I know we will have a real nice time together on the Senior trip. I hope you have the best of every-thing in your future.

Judy-
It's hard to realize we'll soon be on our own to do as we please — well almost. We've had lots of fun together & I hope we continue to do so! Forget the bad times & remember the good. May the best be yours forever + stay out of meaness.
Love,
Jeanette

Judy,
Well, here it is, just what we have been waiting for along time. But I will miss all the good times we have had together. I never will forget all those times we kinda sneaked around to do something we wanted to do so bad, and then got in trouble for doing it. I remember Junior Play practice as one big blast, even if we did try to burn the school building down. I hope you don't pull any crazy stunts like you did once, remember. Someday maybe what we have planned will come true. I hope that your one big wish does come true. May you always have the best of luck.
God Bless you, meanness and all.

Kay (Sis)

Judy,
It gives me a great thrill to write in your annual. You are one of the nicest and friendliest girls I have ever known. A big, big world is fixing to open up for you when you graduate. I hope everything good comes your way. You deserve it. Just stay the way you are now and you'll have no worries.

Love always,

Judy,

Words can't express how much fun I've had with you. The reason is because we've had so many good times there isn't enough words. to I've enjoyed every minute of it though.

I enjoyed playing basketball with you and everything we did together.

I hate to admit that this will be the last time I will sign your annual and I just can't stand the thought of it. It is coming too soon. (The end of good times) Let's don't stop here though, let's continue to have more, Ok?

I am very proud of you in many ways because of the times there were things to do you were always there doing your part. I love to see people that way.

You are a very trustworthy person, sweet, cute, and the meanest ^be^ girl and cousin I have ever known.

You have very ~~many~~ many good qualities, just keep them always, and I'm sure you'll succeed in anything you try to do.

Here's ending this little message which probably doesn't mean much to you, but I'm hoping you will treasure all of our memories as I am.

May you have the best of everything because you certainly deserve it.

"May God Bless You"

I love you,
